Launching a New Child Development Center in Honduras

A Final Update
Dear KeHE Cares,

I’m Pastor of the Central American Evangelical Church Canaan. My wife, Marleny Rodriguez Mondragon and I have been married for 30 years. We have been serving the Lord for 28 years. We thank our God for allowing and choosing you to share with God’s Provision Child Development Center. We are convinced and sure that it is a provision through people like you who have a good heart. God thus manifests his power, love and mercy to the people who need him most in all parts of Honduras and especially now in this community of Aldea La Fortuna.

We belong to the Central American church association mission, Global Path. The gospel reached this community about 80 years ago. We currently have a membership of 145 people including children. With my wife we have been serving the church for 21 years and we have always dreamed of a children’s ministry because we firmly believe in the word that says: “Start children off on the way they should go, and even when they are old they will not turn from it.” Proverbs 22: 6. Because of lack of resources it was not possible.

Today, thanks to the alliance with Compassion and the support of people of good heart, we serve nearly 160 children in four fundamental areas of life — physical, intellectual, emotional and spiritual. This led us to need adequate biblical teaching materials to teach children in a way that they can understand and learn. We also needed a refrigerator, a stove, blender, chairs, fans, fire extinguishers, security gates and new toilets since they were in bad shape. We also needed files and cabinets for the corresponding documents of each beneficiary child. We have obtained all this thanks to you.

For that reason and for many other things, we will never get tired of thanking you and blessing you. We ask the great creator every day to fill your life with peace, joy and prosperity so that you can enjoy with the people around you.

God bless you.
